

## WHITSUNDAY ACRES

Vision Surveys has provided project management services inclusive of town planning advice, titling advice, plan sealing, cadastral surveying as well as civil engineering surveying for Whitsunday Acres estate for its previous Stage (being Stage 3B).

Two stages have been completed at the foot of the ranges where homes have been built in elevated positions. Residential properties have been established that are considered prestige properties designed to a high standard.

Some of the most desirable homes in the region are located in Whitsunday Acres.

**PROJECT TYPE:** Park Residential Estate
